Congratulations
We are very proud of our boys who made the State finals in touch football. The finals were held in Sydney yesterday. The team went down narrowly to Anna Bay PS in the quarter finals before going on to defeat Wamberal PS 3—0 in the back draw match. This was a fantastic achievement and although there would be some disappointment about not winning every team player must know that we are immensely proud of them. Thank you to Ms Thompson, Shirley and Trent who made all of the transport and accommodation arrangements and supporting our
team. Thanks also to Bryan Johnson who drove the bus for the boys and also to Mr Eather as well for he made a special trip to take Lewis McCarthy to the football after Lewis had been declared the C Grade Golf Champion on the weekend. This was an amazing feat and congratulations to Lewis on this outstanding sporting achievement.

New Books on Display
On Monday the 27th of October an afternoon tea was held to formally thank Wellington Public School's P&C for their generous donation of $2500 to the school library. With this money we were able to purchase 165 books to replenish the picture book section of the library. This year due to some fantastic literacy programs running in our school such as Daily 5 and L3, children from each class have been borrowing 1-2 books each week to read independently in their classroom. Introducing
our 'frequent borrower cards' has seen an increase in the number of students borrowing books to take home. This great donation from the P & C has allowed us to put some great quality literature and well know authors on the shelves for the students to read. These books are now available for children to borrow for both the classroom and home. Once again we thank the P & C for their generosity and allowing us to purchase a great selection of books for the whole school to enjoy. Mrs Blackhall and Mrs Legg

**Children Arriving At School Too Early**
We have had students arrive at school as early as 7:15 am which is far too early.
Children who walk to school or who ride bikes or scooters or who are driven should not be at school before 8:30 am. This is the time when teachers officially enter on duty and playground supervision is available.
Should it be absolutely necessary to drop off children before 8:30 am it must be understood that without supervision children must be seated and refrain from any form of physical play. If parents need their children to be dropped off earlier than 8:30 am they should put their explanation in writing saying that no alternative arrangements can be made to have their children arrive at school between 8:30 am and 9:00am when the bell rings for the commencement of the school day.

**Life Education Van**
The life Education van has been providing exciting programs to our schools for over thirty years. These lessons are aimed at promoting good health habits and lifestyles that will support their wellbeing. The knowledge shared encourages and enables children to make sensible choices about the way they care for themselves about finding the correct balances in living and avoiding things that would be detrimental
to their health. We hope all parents realise the importance of this program and pay for their children to attend the van. The cost is heavily subsidised by the very generous donation of a Wellington citizen who realises the value of this education and donates money every time the van visits to help make the opportunity affordable to everyone.

**Are You Going To Take An Active Interest In The Education Of Our Students?**

Parents and the school community have been invited to attend a preliminary planning meeting to voice their opinions in where they would like to see our school in the future. We need to formulate a vision and decide on the three main strategic areas upon which we can build our 2025 - 2017 management plan. The decisions that are made will depend on the reasons Why?" we want to do certain things and then gradually explore the "How?" and the "What?" But at this point I am getting ahead of myself. We need your input so please consider coming on 13th November at 5:00 pm and telephone Alana in the front
Parents wanting their Year 6 children to seek a Selective High School placement in 2016 are being invited to submit an online application (preferred method) commencing today, 14th October, 2014. Online applications close on 17th November, 2014. All applications are to be lodged electronically and can be accessed through this web address—www.schools.nsw.edu.au/shsplacement

Offers for Selective High School placement will be determined mainly on the basis of the Selective High School Placement Test results and school assessment. The Selective High School Placement Test will be held on Thursday, 12th March, 2015.
Dear Parents, Staff and SRC,

The Department of Education and Communities (DEC) School Uniform guidelines outline that school uniforms should be reviewed approximately every three years. In light of this the P&C would like to form a committee to undertake this review for Wellington Public School.

According DEC Guidelines, the wearing of school uniforms by students will assist school communities in:
- defining an identity for the school within its community
- developing students’ sense of belonging to the school community
- providing an opportunity to build school spirit
- enhancing the health and safety of students when involved in school activities
- promoting a sense of inclusiveness, non-discrimination and equal opportunity
- reinforcing the perception of the school as an ordered and safe environment
- increasing the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the school
- promoting positive community perceptions of public education
- making school clothing more affordable for families by eliminating the risk of peer pressure to wear transiently fashionable and expensive clothes.

To establish this committee, the policy requires representation from Parents, Staff and Students. We would like to have between 8-10 members on this committee with a minimum of 2 members from each of these groups. This committee will be established by the end of this year in order to start the review process in Term 1 2015.

If you are interested, please fill out the below details are return to the school office.

With Thanks

Wellington Primary School is a proud **KidsMatter** School.

**KidsMatter** works through 4 components.

Each component is ongoing however the KidsMatter Committee receives training and updates each Term.

Component 2 involves our weekly PATHS Program.

Miss Paola and Mrs Kiss have just completed the Component 3 training.

We would love suggestions from our students and families of how we can make Wellington Primary School more inviting, more welcoming and more social so a survey form can be collected from the office.

**BUS ZONE PARKING…**

PARENTS ARE ASKED NOT TO PARK IN THE BUS ZONES, IT IS A HUGE SAFETY ISSUE WITH YOUNG CHILDREN GETTING ON AND OFF THE BUSES.

Police will be patrolling the school bus stop during home time.

THANKYOU.
Dear parents/caregivers,

The Life Education Van will be visiting our school next week from 27th October until 6th November. While it is a very exciting and worthwhile component to the PDH curriculum at Wellington Public School, it is not free for students to enter the van.

Once again, a very generous member of the community has heavily subsidised the cost for students at WPS to enter the Life Ed van. For this reason, we ask that children bring in $5 each to cover the remainder of the cost for the program.

It would be preferable if students could bring in the money before it is their class's turn in the van, otherwise, the payment may be made right up until 6th November. Reminder notices will be sent home for outstanding payments before then.

Thankyou,
Jody Nott.

Class: ____________ will be visiting the Life Education Van on ____________________________

I have enclosed $5 for my child ____________________________ of class ____________ to access the Life Education Van. I understand that this money is to cover the remainder of the already subsidised cost of the program.

What’s Happening This Week—

Monday— Halloween jack-o-lanterns  Tuesday— Halloween craft

Wednesday— Wiradjuri  Thursday— Kinder assembly 2pm
We enjoyed our week at Preschool!!

Painting with water is mess free fun. So many children enjoyed this experience.

Lincoln wanted to make volcanoes in the sand-pit. We loved watching them erupt.

Emma, Kirsty and Kydan helped put together the program and daybook.

It is now warm enough for water play with lots of sinking and floating toys.

Painting spiders for Halloween decorations. I wonder how they will be displayed... 

Peyton and Kirsty are enjoying the bubble wands and blowing bubbles with soapy water.
