An invitation to be part of a special event in Wellington

Coo-ee March 2015 Inc. (Gilgandra Sub-Committee) is organising a centenary re-enactment of the 1915 Gilgandra to Sydney Coo-ee March, which will be held from 17th October to 11th November 2015, to remember the 1915 recruitment march, the 263 men who answered the call of “Coo-ee! Come and join us!” joined its ranks, and the support of the local communities along the route, with parades and commemorative services at the villages and towns where the Coo-ees stopped and recruited men to join up and enlist in the AIF during the First World War.

100 years ago, on Saturday 16th October 1915, the Coo-ees were met by officials, bands, militia, police, riflemen and cadets outside Wellington and escorted into town. The bands played ‘It’s a long way to Tipperary’ in the procession to the Council Chambers where Ald. McLeod, Cr. A. E. Fuller, President of Macquarie Shire Council, Cr. Donald Ross, President of Cobbora Shire Council, and Mr. T. H. Thrower, M.L.A., member for the district welcomed the recruits. About three thousand people had lined the streets to welcome them. The local Red Cross Society provided afternoon tea for the recruits, and they then marched to their sleeping quarters at the Protestant Hall. A recruitment meeting was held that evening at the corner of Nanima Crescent and Warne Street. About 10.30 am the next morning, the bands, cadets and military led the Coo-ees in a march around the town, and there were special services at the churches. Another recruiting meeting was held at Bell Park that afternoon. When the Coo-ees left on Monday morning 18th October 1915, the Wellington school children lined up and gave the men a cheer. Thirty one recruits were added to the contingent from Wellington.
100 years later, the Coo-ee March 2015 Re-enactment will arrive in Wellington on Thursday afternoon 22nd October 2015, and will hold a street parade starting at 5.30 pm from Market Square via Lee Street and Nanima Crescent to the Wellington War Memorial in Cameron Park, for a commemorative service starting at approximately 5.40 pm, to which everyone is invited to attend. It would be terrific to have a huge contingent of students from our school attend in their school uniform to let our community know that we are proud of Wellington’s history and that it has been chosen again for this special commemorative re-enactment.

Learn To Swim

Learning to swim is great fun with Sport and Recreation’s Swim and Survive program. Sport and Recreation delivers Royal Life Saving Society’s national Swim and Survive initiative and operates throughout regional NSW in communities where limited learn to swim opportunities exist.

Our classes offer multiple grades across preschool and school aged categories. Children progress through these skill grades dependent on their age and ability. Classes are delivered by nationally-qualified instructors and normally run for eight or nine consecutive weekdays.

For more information on lessons near you, or to book, visit sportandrecreation.nsw.gov.au/swimandsurvive or phone 13 13 02.

State Athletics

Hannah Petrovic and Will Eather are two of our students who made it to go to the State Athletics Carnival in Homebush - Sydney this week. Hannah is in the discus event and Will is competing in the long-jump. It is a fantastic achievement to even get to this level of competition so they are already winners and we wish them the very best as they compete against the best from all over NSW.

Touch Football

Our Boys’ Touch Football team will play against Orange Public School at Pioneer Park on Friday. Throughout the season they have been very successful and their wins have taken them to this last round of the knockout competition. If they win Friday’s game they too, will be off to the state finals. The
boys go to Pioneer park from 9:30 am but if you can watch the game it is scheduled to start at 11:00am. The team will be supported by Mrs Eather while Miss Thompson is away, and Shirley and Trent as avid supporters, will also be there lending their enthusiasm and encouragement. Play hard boys and give it your best, as we know you will.

**Another Selection**

Our school, in 2012 was one of 50 schools very early to be chosen to receive and Instructional leaded under the Early Action for Success (EAFS) program. Our Instructional Leader of course is Mrs Pam Davis. The instructional Leader works with classes from Preschool to Year 2 but specifically promotes best practice and oversees the academic development in students and has a major role in supporting specific learning initiatives for students and programs of professional learning for teachers. The tenure for this position was to be three years but recently we applied for an extension of another year and we were successful. EAFS will be extended and financed now until the conclusion of the 2016 school year.

Our school is one of 4 schools to be chosen in Western (Wagga Wagga) to be surveyed as to the effectiveness of this program. EREBUS won the contract as an independent organisation to conduct the survey and we are expecting two assessors on Tuesday, 20th October. Pam has been fabulous in her role and we look forward to showcasing the program’s achievements and the initiatives that have been undertaken.

**Kindergarten Transition**

Young children starting school next year and parents have been given all the exciting information they need to tell them about the start of our Transition Program that commences this Friday and runs over seven weeks – concluding in Week 8 on 27th November. This is a fabulous experience for every child involved for it gives the experience of what life at “Big School” will be like and helps to dispel any anxieties that they might have. It also allows our staff to observe the children and be better prepared for when the start school next year.

Help to spread the word, if you know of any child who will be starting school in 2016 at Wellington P.S. ask if they will be attending the transition program because enrolments are encouraged to take full advantage of this fabulous experience.

Mental Health Week

Mission Australia partnered with Chairtable Organisation Desert Pea Media during the July school holidays to work with a group of local youth, Elders and Services to produce a music video creating awareness about Mental Health. Three students from Wellington Public School attended the 5 day workshop where the lyrics were brainstormed and created to reflect back on the focus of
Mental Health. Bethany Bell, Shakyiah Elemes and Jayleigh Elemes were involved with the recording and laying of the track and participated actively in the filming of the clip.

We had three visitors to our school assembly on Monday to show the video clip. These were Angela Peckham and Dylan Hill from mission Australia and Uncle Colin Hill who spoke to the children about the importance of respecting each other and our Wellington Community. Everyone enjoyed the video clip. It can be found on Youtube by following this link:

Uniform Survey - Very Important

In line with Departmental Policy, the school Uniform is being reviewed and we are approaching the end of the process. The coordination of this is happening through our Parents and Citizens Association and a final survey is about to be released. This is every family’s opportunity to have a say in the selection. The survey has come this far from a collation of previous family responses and now it is time to express your final choice as to what our changes will look like. This is a democratic process and it is important that as many families possible take the time to submit their selection. Once you receive your selection complete it and return it to the school as soon as possible and certainly before the closing date given by the P&C if your selections are to be included in the overall school count.

“Synth City” revels in the boundless possibilities of playing those black and white notes! Lionel Robinson introduces members of the synth’s family tree with plenty of humour, ‘fun facts’ and impressive demonstration, showing off the clavichord, harpsichord, grand piano, Hammond organ, electric piano, Moog synthesizer and digital sampler. Follow him on a journey of musical styles inspired by these wondrous instruments, from classical, ragtime, blues, boogie, jazz, rock ‘n’ roll, soul, psychedelia, singer-songwriters, progressive rock, electronica to today’s synth pop and dance music – showing how the mighty piano survives, with performers like Coldplay, Adele, Bruno Mars and Lady Gaga still giving pride of place to this 300 year old instrument! As educational as it is entertaining, “Synth City” stimulates an interest in music by showing the incredible potential offered by keyboards today.

Welcome to term 4 week 2

It is great to see all our Pre-schoolers return with some great stories about what they did during the school holidays. This term will be a busy term as we continue to prepare the children for the start of Kindergarten. With the start of the new term, we have a few things that our parents and carers need to be aware of for Term 4.

⇒ As the weather warms, we will be playing outside in the morning. We ask that as children are dropped off at Preschool, parents and carers ensure children have sunscreen applied before they come outside. Sunscreen is available near the sign-in book.

⇒ We would like to remind you that we are encouraging children’s independence at mealtimes in preparation for Kindergarten. We will no longer be warming food at mealtimes and children will be encouraged to eat their fruit as it is. We would encourage families to consider the way children’s food is packed, to ensure children are able to access their food independently.

⇒ We will be attending the whole school assembly each Monday morning for the remainder of the year. Assemblies start at 9am.

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsake of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.

BUS ZONE PARKING...

PARENTS ARE ASKED NOT TO PARK IN THE BUS ZONES, IT IS A HUGE SAFETY ISSUE WITH YOUNG CHILDREN GETTING ON AND OFF THE BUSES.

Police will be patrolling the school bus stop during home time. THANKYOU.
What wonderful support our P&C has been receiving this year!!! THANK YOU!!!

With everyone’s continued support we have reached our goal of raising $10,000 this year and have actually exceeded it by raising $11,100. Our goal was to update the Interactive Smart Boards and last term the P&C handed over a cheque to the school for $12,000 to purchase two new Interactive Panel Boards which were installed in the holidays in 2J and KB classrooms. This is absolutely wonderful. Mr Walsh has organised plaques to go on the boards as a reminder of the contribution we have all made to purchase these wonderful teaching tools.

Our Father’s Day ‘Big Brekkie’ was a huge success with 400 egg & bacon rolls being made. It was great seeing all our dads, mums, grandparents, and other relatives and friends in our school catching up with each other and making paper aeroplanes with the students or playing handball or soccer. There was real ‘buzz’ in the atmosphere. The Father’s day stall was also a success and we trust the dad’s loved their presents. Our raffle too raised good funds with Grant Roberts winning 1st prize (kindly donated back from Trent Runciman), Blake Wheeler winning 2nd prize and Brock Solomons winning 3rd prize.

The P&C also held a Cake Stall at the Spring Fest Markets. Thank you to the small number of parents who made lots of yummy cakes and treats. We raised $950 which was a fabulous effort by a small band of bakers.

This term the P&C are selling Iris and agapanthus bulbs if anyone is interested. Keep your eye out for a flyer that will be sent home or get on our Facebook page for more details. We will also be at the Markets on the 24th October.

SANTA PHOTOS ARE COMING!!! The P&C are also doing Santa Photos on the 28th and 29th of November and 5th December. Tara Lee Photography will be taking these beautiful photos. A flyer will be sent home shortly with more information and an order envelope. We’re so excited as now we don’t have to head to Dubbo in the rat race to get these photos done. Please support, you won’t be disappointed with the quality of the photo.

And of course we are in the process of putting together our Christmas Raffle. Some fantastic prizes will be on offer so make sure you look out for these tickets as you have to be in it to win it!

Thanks

Remember: Please keep supporting Wellington Public School’s P&C. We are here to support your children.
Dear Parents/Carers,

Thank you to all the parents who completed the uniform survey sent home last term. The P&C Uniform Committee collated the surveys and the results indicated the majority of parents and students are wishing for a sports uniform only with a change in sports shirt. The committee have put together some options below and now the school community need to vote on which sports option they prefer. Please choose carefully as the majority vote will become our new school uniform. Please discuss these options with your children and decide together. Tick one box in each section. Please return to your teacher by Friday 23rd October. Thank you for your time.

Kind Regards

P&C Uniform Committee
