A NSW State Government Invitation
The NSW State Government has established a $5 million program to invite schools to apply for an additional school zone flashing light systems to remind drivers to reduce their speed when in a school zone. All schools with multiple entrances are eligible to apply based on a risk assessment of the traffic and road usage around the school precinct. It is anticipated that 400 schools will receive an extra set of flashing lights. Once schools are prioritised their local councils will be advised and the new installations will begin over a two year period. We have applied and hopefully we will be selected and even better perhaps we might even be lucky enough to be at the beginning stages of the roll-outs. Fingers crossed we will wait and see.

Cyber-bullying On Notice
The Office of the Children's E-safety Commissioner has embarked on a project to reduce the effects of cyberbullying. By following four simple steps, young people now have a line of defence. It is suggested that: 1. Report the cyberbullying material to the social media service 2. Collect evidence - copy URLs or take screenshots of the material. If the content is not removed within 48 hours then ...... 3. Report it to www.esafety.gov.au/cyberbullying-complaint and 4. Block the person and talk to someone you trust. A further message to young people is: If you are in immediate danger call 000 (Triple zero). If you need to talk to someone, visit Kids Helpline online or call them on 1800 55 1800, 24 hours a day, seven days a week.
Supporting the Earbus Project
Mrs Lee has found a fabulous way to financially support the great work the Earbus does for our students. Mrs Lee has some very attractive prizes for children and raffle tickets will be on sale for just 50 cents each. Our students know where and when they can purchase the tickets. In addition to this she has an array of small Teddy Bears for sale. These are going to sell very quickly at $2 each and everyone is encouraged to be quick if there is a particular bear they want to buy.

Freaky-Hair Day This Friday
A Buzzy Barometer reward that the students won some weeks ago is happening this Friday. In the roll of the lucky dice it stopped on a prize for everyone having the privilege of designing a Freaky-hair style and showing it off to all the other kids. This is not a fundraiser and so is something special and comes at a zero cost to participate, other than what they may need to create their Freaky-Hair style.
Have fun with your creations!

Allan Shillingsworth
Allan is a very talented Aboriginal artist who has been commissioned to start an art project that will commence this year and continue to grow further in the future. This is one of three projects initiated by our Aboriginal committee (Ngaguwany-guwal – meaning all together) which was only formed back in August this year. His first mural was painted yesterday and features Australian animals. Some lucky students were involved in its creation. When next visiting the school you will see that it features on the wall of Block E (the brick wall outside Mrs Eather's room). The second mural will be on the back wall of Block F and the third is to be painted on the brick wall of Block A, facing the top asphalt playing area. The mural in the infants is to illustrate a Wiradjuri story related to fishing and will depict creatures that inhabit local rivers and waterways. The one at the back of Block F is - well we'll just have to wait and see. We are proud to see a conscious attempt to strengthen cultural knowledge for our many Aboriginal students and in fact build respect
for all of the children attending our school.

**Year Book Reminder**

We are approaching your last chance to order the remaining Year Books available for 2015. To be sure to secure your purchase of your copy of this year's edition please pay your $20 at the main office. This is an excellent way to help your children preserve their memories of attending our school this year. This will be particularly important in providing a keepsake that will always be kept to remind them of their special years at Primary School. Nearly everyone should have something in this Year Book that will be special for them and students would love to have their own copy to keep safe their memories.

**Family Portrait Offer**

For a donation of just $20 you could be fulfilling two great things. Firstly you could have a 13' x 10" portrait of your family and by ordering your portrait we would see your money returned as a fundraiser, to replenish /replace some of our well-used home reading books. This is to be organised through the initiative of Mrs Kaylene Brien who works very hard, in a positive way to pair children to good reading material with the intent to foster a love of reading and a love of learning. Download your order form straight away from this or previous copies of the Whisper or call in to the office to pick up a printed copy of the order form. If you haven't done this already, you have missed the first of two portrait photography days and the only chance left is now. So that you don't miss out, book your photo for this coming Saturday. Please consider doing this for your family and know at the same time you will be helping us maintain this very important home reading borrowing system.

**Remembrance Day**

Tomorrow, Wednesday is a significant day commemorated by many countries around the World. It was on at the 11th hour, on the 11th day of the 11th Month in 1918 that the First Word War ended. Allied forces had been fighting for four long months against German soldiers
on the Western Front attempting to drive them back. Together we had been relentless in our determination that the defeated German Army asked for an armistice. Bells rang out to signify the ending of the war, a war that had seen millions of military and civilian people killed. From the ending of WWI we commemorated Armistice Day but after WWII the name was changed to Remembrance Day because it was important to remember all service men and women who went to war to fight for their country and in Australia for freedom and democratic rule to preserve quality of life and remain as the lucky country.

Older students might like to do some research so they have a better understanding of war and a better understanding of how we stood as a proud nation with honour and dignity.

2016 BAND NEWS.. From CHICK JONES

ATTENTION NEW AND CONTINUING W.P.S. BAND STUDENTS..
Permission forms must be handed in this week for the number of students to be determined for next years 2016 W.P.S. Band.

Chick Jones Band Co-Ordinator.
Welcome to Term 4 Week 6 - Wow!!! Half way and what a busy few weeks we have ahead of us as we get our preschoolers ready for kindergarten and get into the holiday spirit.

We are continuing to attend the whole school assembly each Monday morning at the Gould League Hall from 9.00. This allows children to become familiar with the format of school assemblies and to start to learn the school song and join in singing our national anthem.

Families - please remember that the school’s Transition to Kinder Program is currently running on a Friday morning. This is happening for the next 3 weeks. This week session runs until 12 midday. This is a really important process for your child to be involved in to prepare each child for the move up to Kindergarten. This benefits both your child and allows the Kinder teachers to get to know your child before they enter school.

Please remember that we are no longer preparing food for our preschoolers - this includes packing spoons for your child’s yoghurts and bringing along a water bottle. If your child prefers to have their fruit cut up, please do this at home.

We are currently still accepting enrolments for 2016. If you know of a child to be of preschool age for next year please come in and get a waiting list form from us as this Friday will be the cut off day so that we can get the process for enrolments underway for next year.

Most families would have received our note the other day outlining important dates for the rest of the year. Below are some key dates to note down!!!

Thursday 19/11/2015 - Preschool/Early Stage 1 Assembly 12:15pm in Gould League Hall

November
Children’s Week 2015 - Our Ted-
School Uniform Policy

Rationale:
- To provide a school uniform that is practical, comfortable and safe.
- To provide girls and boys with equal access to the full range of school activities.
- To provide a unisex option so the cost is the same for girls and boys.
- To provide a uniform dress code to reinforce in students a pride in their appearance, instil recognition of themselves as part of the school and the community and to develop an ongoing connectedness to the school culture.
- To encourage in students a sense of acknowledgment and pride in representing their school.

Aims:
- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with, our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.
- To ensure the safety of staff and students in school and all school activities.
- To protect their faces, necks and ears from the sun while at school.

Implementation:
- Wearing of the school uniform as laid out below is compulsory for all students during school hours, while travelling to and from school, on school excursions and whilst representing the school, e.g. ANZAC Day Service, Listened’Up, Presentation Day etc.
- The school uniform consists of navy shorts or skirts and navy tracksuit pants. A navy and sky blue polo top with the school logo embroidered on it. A navy and sky blue hoodie jumper in the same design as the polo top with the school logo embroidered until.
- White socks are to be worn with Joggers.
- A blue check dress in summer and a check tunic with a sky blue button up shirt underneath in winter are available for girls from Kindergarten to Year 2 to wear. This will be reviewed in 2017 to see if the dresses are continuing to be worn.
- With the summer dress white socks and black shoes are to be worn. With the winter tunic navy stockings and black shoes are to be worn.
- Stud earrings and sleepers worn only in the ears. No dangling earrings or other facial jewellery is acceptable due to health and safety aspects.
- Watches, earrings, bracelets and necklaces are the only acceptable jewellery.
- Hats must be worn outside in Term 1 and Term 4.
- Hats and Beanies are not to be worn inside.
- Positive approaches may be used to recognise and encourage students to wear the school uniform.
- Details of uniform items and how to purchase will be published in the newsletter at the start of each term.
How to order uniform items

- To begin the implementation of the new school uniform, parents will have to complete the attached order form and place it with the correct money in an envelope and return it to the office. Alternatively, parents can come to the office and fill in an order form and pay for it.
- **ALL ORDERS WILL NEED TO BE PAID FOR ON ORDERING.**
- Initial orders of the Wellington Public School polo and hoodie will take 5 weeks to arrive. However by 2016 we hope to have two or three of each size in stock.
- Examples of sizing will be available to try on from 16th November 2015.
- The first order will be due by Monday 23rd November 2015.
- The second order will be due by Monday 14th December 2015.
- An order will be due Week 2, Term 1 2016 and then again in Week 7, Term 1 2016.
- Ordering then will take place in Week 2 and Week 7 of every term.
- When uniforms arrive a phone call will be made and uniforms will be ready for collection from the school.

Donations:

- Over time items of uniform which are no longer needed by students will be gratefully accepted by the office.
- These items must be washed and will become part of our clothing pool.

Phasing in period:

- Please remember the new uniform has a 3 year phasing in period. It is not a requirement to purchase the new uniform immediately. The existing uniform will be an acceptable uniform until the end of 2018 and so it may be worn in conjunction with the new Wellington Public School polo and hoodie.

Evaluation:

- The girls’ dresses will be reviewed in October 2017.
- This policy will be reviewed in November 2020 as part of the school’s five-year review cycle.

This policy was last ratified by Wellington Public School P&C Committee in November 2015

In 2014-2015 the Wellington Public School P&C conducted the uniform review in accordance with the State Governments Uniform Policy.

The results from the 2015 Term 3 survey indicated that whilst people liked the uniform the majority commented that they would like to see the uniform change.

Highest comments for change were:

- Change to be able to wear Sports Uniform Everyday
- Change Sports Uniform
- Girls would like a Shorts, Pants Option

The School Community was then asked to vote on the choices of uniform that had been put together by the committee and approved by the AECG, Executive, SRC, and P&C.

Thank you to the families who chose to participate and comment on the survey it is great to have people passionate about our school and our kids.
