Beyond The line

This is the name People and Careers (School Staffing) have given to a program for possible future job placement for graduating student teachers in areas in western rural communities.

'The line' corresponds to the 'sandstone curtain' both of which refer to the Great dividing Range.

To many people who live on the eastern side in cities and coastal towns of NSW places to the west are largely unknown or don't offer an attraction for many urban dwellers. Historically it has been difficult to staff schools in Western NSW.

This initiative is to show new teachers that western NSW has a lot to offer and country life can become a real love for some people who have never experienced it previously.

At this time many rural towns are playing host to young graduating teachers who will soon be looking for a permanent teaching position. The high school has a number of young visitors and we are fortunate to have the only Primary Teaching student who has come to Wellington for their week's experience. Coming all the way from the Central Coast we have Briahne Simpson who says she wants to learn more about teaching students with special needs and classes having Aboriginal students. We hope Briahne enjoys her experience with us and learns a lot about what it is like being offered a position beyond the line. Even better, if she says she wants a country appointment in western NSW.

Nationally Consistent Collection of Data

Please read the accompanying information in this issue of the Whisper which is there to inform you about the requirement put on teachers to identify any students experiencing difficulty in attaining age-grade appropriate curriculum
outcomes. This is a good thing in that identified students receive adjustments to teaching programs to better cater for their needs.

It also often means extra support is given to their classroom learning. This is the Department's way of seeing that all students receive their just entitlement to access the appropriate curriculum options for their developmental age. We urge everyone, if invited by need, to attend the special meeting offered to prepare individual learning plans.

**Student Reports**

As indicated previously student Semester 1 reports should be ready for distribution to families this Friday. Reports are now all ready for printing so things are going according to plan. Don't forget to be part of your child's/children's learning and make an appointment next Tuesday evening to be part of the parent/teacher interview process. We need parents to send the right message to our students about valuing their education and helping to motivate and guide their attitudes and determination. All children will benefit from positive reinforcement being given by parents. The occasional prompt might also be necessary sometimes.

**Best Wishes to Leah and Helen**

Leah Hill and Helen Hedger, two student teachers on practicum, will finish up after three weeks this Friday. Leah has been working with Mrs Hawke and KP and Helen with Mrs Woolfrey 1/2W. We wish them all the best in their studies and future careers as teachers.

**Refrigerator reminders**

Find details within the context of the Whisper

School socials this Wednesday; Crazy Hair Day this Friday – Collecting gold coin donations for children with cystic fibrosis; Next Friday (End of Term 2) Jump Rope For Heart jump-off.

May all of your days be filled with happiness.

Remember to remind your children to always be the best they can be. Have high expectations of themselves and to be proud of who they are, believing that everyone can achieve great (deadly) things.  

Mr Anderson
After its postponement we were able to hold Wellington Public School’s annual Athletics Carnival on Friday 5th June. The weather was very unkind to us with little sunshine, bitter wind and freezing temperatures. Despite the conditions the students had fun, personal bests were achieved and records were broken.

A big, big thank you to all who arrived early to set up and those who were there at the end to pack up. Thank you also to Wellington Little A’s Association for the use of their equipment.

A huge thank you must go to the wonderful Brad, Di and Mrs Batho for running the canteen. Thank you, your hard work and dedication to our school is appreciated.

I would also like to give my personal thanks to the wonderful staff of WPS, you were fantastic in your roles and without you the carnival would not have been as successful as it was. Mrs Eather once again did a superb job on the microphone – thank you.

Congratulations to all the students of WPS who attended the carnival. Your behaviour and sportsmanship was to be commended. Numbers were up on previous years and I’m sure they will continue to increase.

A huge achievement was made by 2 WPS students who broke records. The 8 years girls 100m record of 18.39 was broken by the speedy Callee Black who ran a 17.62. The 9 years girls 100m record of 17.52 was broken by the talented Georgia Veech who ran a fast 16.95. WELL DONE to these athletic students, what a fantastic achievement!!!

Well Done to Mitchell House who were overall winners of the carnival with a total of 788 points. Sturt House were a close second with 740 points. Oxley were third with 675 points and Evans had 671 points. It just goes to show that entry points can make all the difference.

Our wonderful champions were outstanding on the day showing their athletic ability. The 2015 Athletic Age Champions are as follows:

- **Junior Boy** – Rugby Taylor
- **11yrs Boy** – Arthur Taylor
- **Senior Boy** – Justin Walker
- **Junior Girl** – Callee Black
- **11yrs Girl** – Kyla Tasker
- **Senior Girl** – Callee Gale

Congratulations to all the ribbon receivers, the Age Champions and Mitchell house on their success.

The Dubbo District Athletics Carnival is on in August. A note will go home if your child will be representing WPS in this carnival.

Thank you

Kate Boland
Some students from stage 1 recently enjoyed Drama in the Hall, with Pre-Service teacher, Mrs Helen Hedger. Mrs Hedger utilised her 20 years of Drama teaching experience, bringing out the best in our students, who greatly enjoyed the experience. Students worked together to build 10 second objects and played the Drama game “Moulding into Shape”. Students were able to act out dramatic moments from a book they studied in class ‘A Bit Of Company’. They were certainly very expressive, enjoying making drama, and appreciating the drama their friends made. Students showed their creativity and understanding of the elements of drama. They especially enjoyed having their photo taken.
RAISE AWARENESS FOR CYSTIC FIBROSIS

Wellington Public School Will be holding a Crazy Hair Day on Friday 19th June 2015

Cystic fibrosis is something that babies are born with, you can’t catch it.

It sounds like 65 Roses and we call it “CF” for short.

If someone has CF it means they can have trouble with their lungs and their tummy. Kids with CF can do school work, run, play and have fun with their friends but they have to take different types of tablets and medicines at school and at home to keep well.

Children with CF can get really sick and sometimes they have to go to hospital if they catch things like colds or the flu.

THINGS YOU CAN DO TO SAY GOODBYE TO GERMS WHICH MAKE YOU AND OTHERS SICK:

1. Wash your hands properly.
2. Cough into your sleeve instead of your hands.
3. Keep your fingers away from your mouth and eyes.

www.cysticfibrosis.org.au/nsw
PBL Fortnightly Focus

Each fortnight our school has a PBL classroom and non-classroom focus. You might like to discuss these with your child and what is involved.

<table>
<thead>
<tr>
<th>Weeks 9 &amp; 10</th>
<th>Classroom Focus</th>
<th>Non-Classroom Focus</th>
</tr>
</thead>
</table>
| **Packing up** | • Everybody helps  
• Put all equipment away in the correct spot  
• Put rubbish in the bin  
• Tuck chairs under desk  
• Wait quietly when finished | **Hands & Feet to yourself** |  
• Students to be encouraged to do Turtle/Three steps for calming down/Control signals (depending on what has been taught in your Stage)  
• The Golden Rule  
• Report the problem to a teacher |

Thank you Volunteers

A big thank you to the following people that volunteered their time and helped at the District and/or Western cross country canteen: Kate Boland, Cecily Wilson, Britt Styles, Jess Last, Mark Lynch, Louise Taylor and Rebecca O’Donnell. I would also like to thank the Manager of Woolworth’s Gareth for his kind donation. Also thank you to Kate Kiss, Louise and Rebecca for making and donating soup.

Anne Styles
DISCO NIGHT

When: Wednesday 17th June
Where: Gould League Hall
Time: Infants 5pm – 6pm
       Primary 6pm – 7:30pm
Cost: $2.00

Lollies, chips & drinks For Sale

P&C Fundraiser

Wood Raffle
$2.00 a ticket

A generous trailer load of wood is up for grabs! Just buy a ticket in the raffle to be in with a chance to keep warm this Winter.

On Sale at: WPS Office ($2.00 a ticket)

Drawn: Wednesday 17th June (Term 2, Week 9)

Where: After Primary Social @ Gould League Hall

P&C are fundraising to update the classroom Interactive Smart Boards.
KIDS!
GET READY TO BE JUMPcredible!

WOOF WOOF!

Heart Foundation
Wellington
**Jump – Bounce (Double Bounce)**

Skill Prerequisites: Learn to turn and jump

Explanation:
1. Jump the rope once, followed by a small rebound bounce
2. Continue this pattern

Tips: Rope moves slowly
Rebound when rope is in the air
Cue: jump, bounce, jump, bounce

---

**Single Long Rope Turning**

Explanation:
1. Upper arm stationary
2. Elbow held loosely at side
3. Rotate wrist

Tips: Keep head up
Keep rope on same side of twisted bodies
Practice turning with both arms, turning clockwise with left hand and counter-clockwise with right hand
Cue: One, two, ready, turn

---

**Double Side Swing Double Under**

Skill Prerequisites: Side Swing and Double Under

Explanation:
1. Swing rope to left
2. Swing rope to right
3. Open rope to do a double under

Tips: Fast wrist action on double under
Cue: Left, right, double under
ASSEMBLY UPDATE:
1S class assembly has been moved from Week 4 to week 10 due to the zoo excursion. Thanks Kindly Mrs Stanley

Early Stage 1 assemblies are on Thursday @ 12.15pm.

KB Week 3, KY Week 5, KP Week 7, KG Week 9

Celebrating Great Efforts and Performances

This Week's Buzzie Winners

Jamahri KB, Mataya KP, Seth KY, Logan 1S, Charmaine 1S, Bede 2J, Rowan 3/4B, Jolie 3K, Dylan 4O’B, Jayleigh %R, Jorja 5R and Alicia 5R

Stage 1 Assembly UPDATE!!

Due to the fact that term 2 has been extremely busy we have had to rearrange our assembly timetable.

Assemblies for the remainder of the term will be:

1L.... WEEK 8....Friday 12th June
2J....WEEK 9....Friday 19th June
1S....WEEK 10....Friday 26th June

A reminder that these are held in the Gould League Hall starting at 12.15pm.

Hopefully we will be back on track next term!!

Regards
Every face has a place at Wellington Primary School!

Promoting Alternative Thinking Strategies because our Kids Matter!

If we would like to say something nice to someone, we can give them a compliment. It feels great to give a compliment and even better when you receive a compliment. Just like filling someone’s bucket!

Giving a compliment to someone shows that we care about them. You could compliment someone on their schoolwork, the way that they play with others or even the way that they look. If you are lucky enough to receive a compliment, always say THANKYOU!

---

**2015 YEAR 6 CANBERRA EXCURSION REMINDER**

The year 6 Canberra Excursion is fast approaching, it is essential that all money be paid by the end of **Term 2 Week 10 26th June** as bookings need to be finalised. Unfortunately at this time the school is unable to fund students.

Recycling School Uniforms

This is a call to all parents and carers, if there are any school uniforms that no longer fit your children please remember to recycle and bring them into the office.

Stay in touch with the Wellington PS app.

Free download available for android (google play) and apple OS (Apple app store)

BUS ZONE PARKING...

Parents are asked not to park in the bus zones, it is a huge safety issue with young children getting on and off the buses.

Police will be patrolling the school bus stop during home time. THANKYOU.
Children need to attend school every day. This poster is displayed in many shop fronts around Wellington and is an initiative of the Wellington Learning Committee to encourage children to attend school. Children entering businesses during school time without an adult will be asked why they are not at school. Please contact Debbie Anemaat at school if you would like further information.
Dear Parent/Guardian,

The education of your child is extremely important to the staff at Wellington Public School. We would like to ask you to join us in developing a collaborative learning plan to meet the individual needs of your child.

The Learning and Support Plan identifies your child’s current abilities and states how the school can best support them, by providing adjustments to the regular classroom program. This process will commence with a meeting involving you, your child’s class teacher and other support staff that may be able to offer assistance.

A note has been included with your child’s interview time sheet. Please fill out this form and return it to school.

Denis Anderson
Principal
2015 information for parents and carers

WHAT IS THE NATIONAL DATA COLLECTION?

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The national data collection will count students who have been identified as receiving an adjustment to address a disability under the Disability Discrimination Act 1992 (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

WHAT IS THE BENEFIT FOR MY CHILD?

The aim of the national data collection is to collect better information about school students with disability in Australia. This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as students without disability.

The national data collection is an opportunity for schools to review their learning and support systems and processes to continuously improve education outcomes for their students with disability.

WHY IS THIS DATA BEING COLLECTED?

All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors.

When implementing the national data collection, every school in Australia will use the same method to collect information. Therefore, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through the national data collection will enable Australian governments to better target support and resources to benefit students with disability. The data will help schools to better support students with disability so that they have the same opportunities for a high quality education as students without disability.

WHAT ARE SCHOOLS REQUIRED TO DO FOR STUDENTS WITH DISABILITY?

All students are entitled to a quality learning experience at school.

Schools are required to make reasonable adjustments where needed to assist students with disability to access and participate in education free from discrimination and on the same basis as other students.

These responsibilities are outlined in the DDA and the Disability Standards for Education 2005 (the Standards). The Standards require educators, students, parents and others (e.g. allied health professionals) to work together so that students with disability can participate in education. The Standards can be accessed via the ComLaw website at www.comlaw.gov.au.

WHAT IS A REASONABLE ADJUSTMENT?

A reasonable adjustment is a measure or action taken to help a student with disability access and participate in education on the same basis as students without disability. Reasonable adjustments can be made across the whole school setting (e.g. ramps into school buildings), in the classroom (such as adapting class assessments) and at an individual student level (e.g. extra tuition for a student with learning difficulties).

WHAT INFORMATION WILL BE COLLECTED?

Every year your child’s school will collect the following information for each student with a disability:

- the student’s level of education (i.e. primary or secondary);
- the student’s level of adjustment;
- the student’s broad type of disability.

The information collected by schools will be provided to all governments to inform policy and...
Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's website at http://education.gov.au/notices.

If you have any questions about the data collection please do not hesitate to contact Tracy Petrovic or Leanne Lee.
programme improvement for students with disability.

WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the DUA.

For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma that require active monitoring by the school, may be included.

WHO WILL COLLECT INFORMATION FOR THE NATIONAL DATA COLLECTION?

Teachers and school staff will identify the number of students with disability in their school and the level of reasonable adjustment they are provided based on:

- consultation with parents and others in the course of determining and providing reasonable adjustments
- the school team's observations and professional judgements
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

HOW WILL MY CHILD'S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

IS THE NATIONAL DATA COLLECTION COMPULSORY?

All education ministers agreed to full implementation of the national data collection from 2016. This means that all schools must now collect and report information annually on the number of students with disability in their care and the level of adjustment provided to them.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child's school principal and the relevant education authority or association of imperfect schools.

Even if your child's information is not included in the national data collection, the school is still required to provide support to your child with education needs.

FURTHER INFORMATION

Contact your child's school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may involve your child.

An e-learning resource about the Disability Standards for Education 2005 is freely available for the use of individuals, families and communities at http://resource.dse.theeducationinstitute.edu.au.
