Canberra Excursion
Bright and early yesterday (Monday) morning 60 Year 6 students were up and getting ready to be at school for a 7:00 am departure for their Canberra / snowfields excursion. Everything went to plan and almost on time, both the big coach and the smaller 18 seater were off with excited students waving goodbye to parents left behind on the footpath.
Away for the week the students are about to have lots of fun and many new learning experiences. This is something most have been waiting a long time to come their way. Everyone knows that the Year 6 excursion to the National Capital is something very special.
Canberra has many tourist attractions and their schedule is very busy so that by the time they arrive back in Wellington everyone should be quite tired and ready for a big rest. Our travellers are expected back at about 9:30 pm on Friday.

Education Week
This week is Education Week. Schools are to focus in on the commemoration of the century of remembering the First World War and the ANZAC story which gave rise to Australia being recognised as a nation. This proud legacy for all Australians was acknowledged when the school presented to parents and the school community its tribute when all were invited to attend our special ANZAC assembly.
This was a very significant focus for each class and their students and something students will no doubt remember for a long time. We acknowledge that this was a time when everyone who went off to fight the Great War for King and Country was a hero. We acknowledge their patriotism and their bravery because their courage was spent in fighting for democracy and the future freedom for Australia and at the time, for the motherland.
This week we are asking that classes discuss their local Wellington Heroes and meaning that there are many people in our community that put their life after that of others in their service to our community. These could be services like medical staff, police, ambulance personnel, emergency services volunteers, the fire brigade’s fire fighters etc. Expanding on this list it could include sporting heroes, noted community people, and even special friends and family members who all have people they care about and value the special security and love they offer.
This is a busy week. Practice sessions have commenced for the annual Wellington Eisteddfod (28th July – 15th August, 2015) and once again, most of our students will have the experience of performing. Fingers crossed we will do well but we always remember that the participation in itself is something to be proud of. Good luck to all and remember to be the best you can be.

An Exciting Motivation (But perhaps not to all)
My eldest daughter owns and operates a play centre for children with giant slides, mazes, jumping castles, Laser Tag, ball pits and the like, as well as food and refreshments. At the moment, the business is moving from one premises to another slightly smaller venue and something had to go. The skating rink
took up a fair bit of the floor area so it was decided the roller skates would have to go. They were desti-
tined for the rubbish tip and my wife and I thought, what a waste! After suggesting that I take them I
came away with about sixty pairs of in-line pre-used roller skates. Although they had been in use they
hadn't been used for very long and so all that I brought to school are in good condition. They are man-
ufactured by Cyclops, are expandable and come in two basic sizes. Each of these two sizes have the
capacity to be adjusted to larger and smaller settings to accommodate growth or as required to fit
properly.

Because younger children are known generally to have a yet-to-be-developed awareness skills in safe
riding and spatial awareness, this probably carries over to skating in busy public places.

Schools can't allow younger students to ride bikes to and from school and recognise that this might
change for students by the time they are in Grade 3 or higher. For this reason, only students in Years 3
and over will be considered as possible recipients to win a set of skates. We have asked the PBL team
at their next meeting if they would like to discuss the possibility of using the winners of the weekly as-
sembly’s Buzzie draw to become the ones we offer the skates to as prizes as a short-lived alternative
to the normal lucky-dip prize offer.

We are very much aware that not all parents would want their children to win a pair of these skates
and it must be understood that we would be seeking parent permission before any skates were handed out to their children. An approval letter will be issued to parents prior to skates be-
ing sent home in situations where the parents are agreeable, prior to the skates being sent home. It is
to be known that the school must relinquish all responsibility once the skates are taken.

The NED Show

All children can today (Tuesday) attend the NED Show brought to us through the PBL team. This is free
to students and features demonstrations by expert yo-yo players. As advertised previously – yo-yo sales
will commence after the show today for any student who is interested in purchasing a yo-yo.

K-2 Parent Reminder

Next Wednesday (5th August) is the K-2 Athletics Carnival – Parents are invited to attend and offer
their presence for their children. We will be having a K-6 shared recess commencing at 11:00 am and
the carnival for K-2 students will commence at 11:30 and run until approximately 1:00 pm. The carnival
is to be held on Central Grass here at school.

Wellington Debating

We have recently had both debating teams competing with a win recorded in a challenge held at West
Dubbo P.S and a very close defeat at a round held in Parkes last Friday.

We want to acknowledge the effort of both teams and congratulate each member of their fine repre-
sentation of our school. I have only limited information at hand so I must apologise for not being able
to tell you much more other than to say thank you to Mrs Tickle who has been training our teams and
preparing them for competition debating. Mrs Tickle has told me how proud she has been with all mem-
bers of both teams.

News From Our Preschool

Welcome to Week 3 of Term 3!!!

We would like to take this opportunity to say a big thank you to some wonderful people who have helped the preschool out with some donations over the last month. Firstly a big thank you to Loretta Brien who kindly donated an old cash register to the preschool for the children to use as part of their dramatic play!! We have had some keen shop keepers the last few weeks at the Preschool Shop, eager to serve and collect the money!!! Also a big thank you to Kabla Chown who kindly donated bags of girls clothes to replenish our limited supply of spare clothes for any accidents that may occur at preschool.

A quick reminder that Preschool starts at 8:55am in the morning - working parents can arrange earlier drop offs. Children need to be collected at 2:30pm every afternoon.

Tomorrow is our big performance at the Wellington Eisteddfod. Our verse speaking section starts at 9:15am so we are asking parents and caregivers to deliver the children to the Civic Centre at 9am where we will be waiting. We are hoping that you can make it to see our lovely preschoolers perform on stage - for what may be the first time for some of them!!!

Please remember to pack your children an extra pair of warm clothes during the colder weather. We still have accidents at preschool and we have limited spare clothes. If you have some clothes that your children have grown out of that range from sizes 3 to 5 we would really appreciate any donations that could be added to our spare clothes basket. We would also encourage families to bring along an extra jacket for when the days are extra cold, so that children can still participate in outdoor play.

We have begun collecting our Woolworths Earn & Learn stickers. We have a box for the completed sticker sheets that is located in the foyer of the preschool. It would be greatly appreciated if our preschool families could help us out and collect these for us.

LIBRARY NEWS

BOOK WEEK IS WEEK 7

The theme for this year’s Children’s Book Week is: Books Light Up Our World. Students can come to school on Tuesday the 25th August 2015, dressed as their favourite character from a book. Every student that goes in the parade will receive a participation certificate and one student from each class will win a $10 book club voucher. This year the students who would like to dress up and go in the parade will need to bring $2 and a copy of the book, which the character they are dressed up as, comes from. This will be a nice way for others to see some books that they might like to read. Of course you may borrow the books from the library or even print out the book cover from the internet. The $2 is to be donated to Make-a-Wish Australia. This will enable our students to light up the life of a child battling a life-threatening medical condition. The exact time of the Book Parade will be announced soon.

LIBRARY UPDATE

Our Picture Fiction Section has had a big overhaul during the holidays and looks fantastic! All the children have been very excited to explore the section this week. Parents and carers please feel free to pop on in and have a look.

Thank you

Mrs Fitzsimmons.
Each fortnight our school has a PBL classroom and non-classroom focus. You might like to discuss these with your child and what is involved.

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsake of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.

Dear Parents,

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 15th July to Tuesday 8th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. SISTERS

Tell the stories of some of Wellington's elders and elders, in-walking, the stories of some of the Wellington elders and elders. As they share some of their most important memories, the stories of their families, of their families, and of their friends. Over 18,000 people came to see the Survivors exhibition. It showcases the stories of the Binjari people of the Wiradjuri nation.

I’m very excited to bring Survivors home to Wellington to share with the community who made this exhibition happen. There is just so much for everyone to learn and to understand about the lives spent out on Nanima Mission.

*This calendar is a guide only and is subject to change.*
Hello everyone!

Welcome back to Term 3! With the new term comes a wonderful opportunity to sign up for the 2015 Dubbo Stampede to be held at the Taronga Western Plains Zoo on Sunday 6 September! Many of you have been part of The Stampede in the past, helping to make it a wonderful community experience and we would love for you to take part again or perhaps participate for the first time.

The event that often appeals to families is the 5.5km Dingo Dash; a walk, jog or run that loops past animals from all around the world. However, the 10km Cheetah Chase, the 21.1km Zebra Zoom and the 42.2km Rhino Ramble are also alternatives.

Each year we run a Schools’ Challenge. Anyone who registers for one of the events at the Stampede can choose to register with a particular school; the school racking up the most registrations in given categories, receives a substantial monetary prize and trophy.

Details regarding events, times, pricing, merchandise and the registration process are available at www.dubbostampede.com.au

An event like The Dubbo Stampede also requires many, many enthusiastic volunteers. If you think that encouraging walkers and runners or helping out is something you or your family would like to be part of, we would love to hear from you via contact@dubbostampede.com.au

We look forward to seeing as many of our local families (and your friends and families!) as we can on Sunday 6 September.
