Grand Champions

Nearly every student would have had the opportunity to participate in this year’s Wellington Eisteddfod. This is a memorable experience for all children and a lot of work goes into rehearsals leading up to the final performance. We have had mixed successes but we consider participation to be the best we can be is something that we can always celebrate. This is not to say we do not aspire to win because we do and we all need to believe we can be the best.

One outstanding achievement was the award of Grand Champion to our Senior Choir performance against twelve other competing schools. This was a fabulous reward for the effort the children had contributed to show their collective talent as singers. Mrs Blackhall has been their conductor and it has been largely to her shill, dedication and enthusiasm that helped get our students to this high standard that enabled them to be declared the winners and take out this prestigious award. Congratulations to our Senior Choir and to every other group who were trying so hard.

Yesterday, at the morning assembly we were treated to the presentation of the combined Special Education Classes Eisteddfod Performance. We enjoyed their performance very much. It was unfortunate that this group had not had the chance to perform at the eisteddfod because after waiting several hours they had to return to school and miss out.
The following was taken from an email sent to our school account after the programmed choir groups had performed. I replied to Mr Ivey and asked his permission to include his kind words of praise:

This morning, (as a grandparent of non-Wellington Public School pupils!) I attended the choir section of the Eisteddfod and stayed on to watch all the sections and competitors.
Can I please offer my congratulations in particular to the infant and senior WPS choirs? They were fantastic. In fact, all 3 of your choirs were exceptional and a credit to all.

The "In Flanders Fields" item was so well presented and professionally done. The "Band played Waltzing Matilda" item was absolutely exceptional. The children looked fantastic and so attentive, the timing and singing first rate. That the conductor managed to get that number of children to give their all and to show their undoubted talents was incredibly impressive. Well done!

Kind regards
Richard Ivey

2015 Premier's Spelling Bee
This morning, Mrs Eather is running the school finals to find our School Representatives to go on to the district finals of the Premier’s Spelling Bee, the next level up on the way to the eventual State finals to be held in Sydney later this year. At our school finals, class representatives come together to compete against each other to see who our junior and senior representatives will be. Good luck to all students who have been chosen by their classes as the best spellers to come to the school finals. We wish all contestants the best of luck and if they are chosen as the winners we will in turn send them off to the district finals with our hopes for further success.
It's always good to win but we always congratulate everyone who has a go and participates.
Moving Rooms
Miss Halls class is now occupying the newly located modular demountable classroom which was located on the Maxwell Street grassed play area between the Gould league hall and the COLA. The building has been refurbished and is in excellent condition. We hope everyone likes their new classroom. The domino effect is that Mrs Hawkes class KP, is moving into the classroom vacated by Miss Halls class. This classroom was chosen because it is still in Block A and that means all kindergarten classes can stay relatively close to each other at the top end of the school. This in turn means that the school has its Block A hall free again to use its video conferencing facility, the hall can resume some of its multi-functional purposes. This has been a tremendous task for the two teachers involved and it is important to acknowledge the time, energy and dedication that both Miss Hall and Mrs Hawke have shown in managing the moves and minimising disruption and inconvenience to their students.

NAPLAN Results
As mentioned last week our Year 3 and 5 classes will have their NAPLAN test results available to them tomorrow. At school we are keen to see how our students have performed. Parent reports should be sent home to be received no later than the end of the week. Should you have any significant concerns please contact your child's classroom teacher and make time to discuss the issues.

Nairn Walker’s Visit
I was delighted yesterday, to have an unexpected visit from Nairn Walker. Nairn has presented a professional learning experience to many of our staff and is again presenting to a large group in Dubbo over the next two days. Nairn’s focus is very much suited to communities like Wellington and other towns in the central west and assists teachers, support personnel and inter-agency support groups to understand some of the social complexities that we all face each day. Coming all the way from Tasmania and taking time out of
her schedule was extremely gratifying. Her visit gave her the chance to see how we are travelling and the opportunity to meet some of our students. Nairn’s work together with our PBL, Kidsmatter, Drum Beat and the Stephanie Alexander kitchen garden are but some of the things we do to bring programs that all mesh together very well with Stronger Smarter as ways of caring for our students and building relationships with children. Mrs McCreadie and I attended a Stronger Smarter Leadership Development learning experience and we are bringing this back to our school for all to consider as a philosophy that can underpin all of our teaching and interactions with our students and families.

Stronger Smarter is based on the work of a great Aboriginal man who was the Principal of Cherbourg School in Bundaberg Queensland in the 1990’s. Teaching children to be Strong means making them strong of mind and in their hearts, to be proud of their heritage and to have the courage to make the right decisions however hard they might be, and Smarter – smart enough the take the right path in their life. A catch cry is ‘To be the best you can be’ and coining an Aboriginal term we want to be a ‘deadly’ school and achieve greatness in all that we do. The whole philosophy is based in the need to treat people with humanity and work at building “High Expectations Relationships” between students, teachers and significant others in the lives of children.

Mrs McCreadie will present to the staff the first of a series of aspects of the Stronger Smarter philosophy and together we will do what we already do well and that is to care for each other and build strong relationship that will further enhance the belief in all children that they can achieve their own greatness.

Being proud of our heritage and an understanding that the world has people of many cultural backgrounds, will help us have the courage to make our world a better place because we will all try to discover who we are as Individuals.

The Premier’s Spelling Bee was introduced in 2004 as a fun and educational way for primary school students to engage in spelling. The programme includes activities to encourage all students to engage with spelling and to promote improved literacy in combination with the English K-6 Syllabus.

Wellington Public School will this year participate in the 2015 Premier’s Spelling Bee. The competition comprises of two divisions – Junior for Years 3 & 4 and Senior for Years 5 & 6. Students have been selected from Spelling Bees held in classes at the beginning of Term 3; notes will go home with successful students. Wellington Public School will hold their school Spelling Bee on Tuesday 18th August 2015 in the Gould League Hall at 9.30am, all parents are welcome.

From the School Spelling Bee two Juniors and two Seniors will be selected to then attend a Regional Final knockout to be held on the 10th September 2015 at Dubbo West Public School.
Walan—maya Camp 2015...

Last week, Will eather, Charlotte Boland, Bethany Bell and Ezekiel Turaga attended the Walan-maya Empowerment Camp at Red Hill Environmental Centre in Gulgong. This was an overnight excursion for young leaders. Our students, along with 42 students from surrounding schools participated in activities to broaden their understanding of Aboriginal culture and enhance their skills in leadership. The students, along with Mrs McCreadie participated in group activities such as net making, painting and dance. We all had a great time and made new friends.

Every student that goes in the parade will receive a participation certificate and 1 student from each class will win a book club voucher for dressing up. This year the students who would like to dress up and go in the parade will need to bring a copy of the book, which the character they are dressed up as, comes from. This will be a nice way for others to see some books that they might like to read. Of course you may borrow the books from the library or even print out the book cover from the internet.

Dear Parents,

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 15th July to Tuesday 8th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you’d like to know more visit woolworths.com.au/earnandlearn
Each fortnight our school has a PBL classroom and non-classroom focus. You might like to discuss these with your child and what is involved.

It has been brought to our attention that Wellington Public School’s uniform needs to be updated to suit the needs of its students. In order for this to happen the P&C require data from parents outlining what they feel would be a comfortable and practical uniform for their child/ren. We ask that you take the time to answer the following questions and return to school to your teacher by Friday 21st August. This information will be collated and if the majority of surveys returned wish for change then the Uniform Committee will discuss and send out options for this change. Thank you in advance for your time.

Kind Regards

Australia in the Great War

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsake of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.
How fancy is Barden Park in Dubbo, the venue for the Dubbo District Athletics Carnival? It was an extremely comfortable venue and everyone felt like an elite athlete. As it is a new venue all events run on the day are deemed a new record so that is exciting for a few of our stars who came first. All of Wellington Public School’s representatives were great ambassadors and participated to the best of their ability and showed great sportsmanship. We had 46 students attend with a few first, second and third place ribbons received. I must mention that Callee Gale and Hannah Petrovic were both Senior Girl Champion and they now hold records along with Kyla Tasker and William Eather. What a fantastic achievement!!! Western Athletics is in two weeks on Friday 28th August and I’m sure all our superstars will be fierce competitors. Well done to all who attended.
