Monday: National Aborigines and Islanders Day Observance Committee Celebratory Assembly.

Bethany, Ezekiel and Isaiah very ably took control of our introductory NAIDOC Assembly yesterday morning. Our presenters introduced our special guests, Mrs Yvonne Hill (Department of Education), Mrs Loretta Black (President of the Wellington AECG), Mr Bruce Carr (Didgeridoo player) and Mr Paul West (Wellington Aboriginal Elder offering his Welcome to Country in both Wiradjuri and an English translation).

We were told NAIDOC Week is a time to Celebrate Indigenous Culture, history, achievements and heritage.

Ezekiel told us that this year's theme is based on the Aboriginal and Torres Strait Islander people's unique and timeless connection with the land. -"We Stand on Sacred Ground: Learn, Respect and Celebrate".
Bethany told us that Aboriginal people have the oldest continuing culture on the planet - their culture is directly linked to sacred places - we try not to forget, and to celebrate the timeless relationship between the people and the land. Aboriginal people were survivors. They knew and understood the land; They respected the land and looked after it. Their knowledge was passed on from generation to generation when the young boys became men and the girls became women. They listened to the stories and they remembered their valuable lessons.

That's why this week is so important. It is important for young Aboriginal children to appreciate the skills and knowledge your forefathers had of their land. To respect how clever and ingenious they were and how creative they were in art, craft, story-telling and dance.

Mr Anderson talked again. From a 'Stronger Smarter' point of view where it is vitally important that aboriginal children learn about their culture and heritage and to be proud of who they are. He said it is your job, as children to be
educated so that you have a sound understanding of your long and proud history and to take on the knowledge of your culture so it is not lost, so that you will be able to pass it on to future generations just as the elders have this responsibility now. It is in your blood and you can be strong of mind and become very smart.

Mr Anderson went on to say, "If you don't listen to the stories you will not find that connection. You have to celebrate all the wonderful things to share in a unique pride and **go on to be the best you can be**. Make it your life's task to master your own language because through learning language you will learn a lot about your culture.

We are starting to travel this road at school together. We have our Ngaguwany - Guwal meaning all together - the name given to our Aboriginal Committee. This committee has started a formal yarning circle and a community room. Soon too, we will hopefully see examples of Aboriginal art with stories that will link them with the land and stories of the dreaming.
Our world is forever changing and I am sure we can gain so much wisdom from the past. Be proud of your heritage whoever you are and value your education, for you are the people of tomorrow".

We also watched as the Aboriginal Flag was raised in the yard outside the assembly hall and there was a beautiful, large NAIDOC cake that had to be cut to celebrate the event.

Before finishing, Mr Anderson thanked Shirley and Trent, along with all their helpers who helped plan the assembly, invited our special guests and who decorated the hall for this special occasion. Thanks also went to Mrs McCreadie for all her time spent in coordinating proceedings.

**Tuesday:** Between 1-2pm there is to be a combined K-6 lunch Preschool of course are invited to if they want to attend. **Students vs Teachers** games of touch football. Any teacher that is willing to play will form the 'Teacher Team' and groups of 8 students from each stage are being selected to oppose the formidable teacher team. All staff are asked to be out in the playground and seat the children around the perimeter of the field to cheer. Students my wear sports clothes for this day. We'd better have an ambulance on stand-by in case it gets too tough for some of the older players.
**Wednesday:** Unfortunately we have cancelled our Sky Stories Evening as per this note sent out last week.

**‘Sky Stories’ Evening Cancelled**

Dear Parents and Care-givers,

The recent event at the senior social which gave rise to a lockdown situation, for students and staff, has created concerns for the planned *Sky Stories* presentation next Wednesday evening.

Considering the unavoidable distress to everyone which resulted, it is not timely to go ahead with this activity. We need time to ensure that we have confidence that such events mean a fun time to be had by all.

**It is very disappointing but a decision has been made to cancel this event.** This is because of the nature of the activities which are largely staged as an out-door event and it is at night time. Children and families need to be assured that we put the safety and wellbeing of our students first and for this reason we think this to be the best choice.

With NAIDOC celebrations next week, students who have prepared for this cancelled event will still have a chance to perform and showcase their talents.

We regret and apologise for any inconvenience or disappointment this decision may cause.

D.N. Anderson

**Thursday:** NAIDOC ACTIVITIES

Students may dress in Red, Black and Yellow for the day. 9.30am start, combined recess at 10.50am (with special morning tea in the staff room and combined BBQ lunch at 12.40pm).

1.30-2.45pm Assembly after lunch in GLH.

**Deadly Awards:** Teachers have been asked to select two students from their class to receive an award.

The youngest child in each family will have taken home a timetable outlining these celebrations for parents if they would like to come along and join in
with our exciting day.

A Sad Day Is Coming
A Note To Our School Band Parents.

Dear Parents of School Band Students,

A year and a half ago the band was on the verge of collapse for financial reasons and now if anything, the situation is worse. Students and families have reneged on their commitment to either stay in the program or pay their fees but the greater problem is that the school is underwriting the collective cost to the tune of thousands of dollars.

Approximately 75% of parents are not paying any band fees despite being reminded on numerous occasions. It is costing the school about $2000 a term for tutoring and even significantly more with instrument hire. It is certainly very unfair to parents who do pay their fees and the children of these people are about to have something taken away as well.

If we are unable to recoup money owing by the end of week 9 this Term (11th September) the band will not be able to function any longer.

We will be prepared to review the possibility of restarting the band next year if everyone is prepared to honour their commitment and pay all fees on time (or in advance).

It hurts to take away a valuable opportunity for the students and something that is good for the school but the cost to the school has become excessive and unsustainable.

Hired instruments will have to be returned and the band conductor will no longer be needed.

We know this will not be a popular decision but we are left with little alternative. As advised in the original communication to parents, if confirmation that the band has to be collapsed at the end of this Term, notification will be made in the Whisper (School Newsletter) on Tuesday, 15th September, 2015 (Today) and hired instruments returned to school by Friday of that last week.

19th August, 2015 and modified for 15/09/15
Spring Vacation
Friday the 18th September is the last school day of Term 3. Holidays commence on Saturday, 19th September 2015 and go until Monday, 5th October, 2015 inclusive. Students and Teachers return Tuesday, 6th October, 2015.

Students and Teachers return to commence Term 4 on Tuesday, 6th October, 2015 - the day after the Labour Day weekend.
We trust all children will have and enjoyable holiday and that parents will appreciate having their children with them to share time in the holidays. Be Safe and be happy.

Mrs Woolfrey is set to finish in her classroom at the end of the term. She undoubtedly very excited about this - Not because she is keen to get away from her students but because she is soon to have a little person of her own to hold lovingly in her arms. Mrs Woolfrey is an outstanding teacher and no doubt her students will miss her but they can wait with excitement for the announcement of the arrival of the Woolfrey’s new baby and share in the joy of this new life. Best wishes go to Amy as she enters this, the next phase in building her family. We know the baby will be loved very much and will enjoy the care and security of two wonderful parents. Our best wishes go with you for huge helpings of happiness.

BUS ZONE PARKING...

PARENTS ARE ASKED NOT TO PARK IN THE BUS ZONES, IT IS A HUGE SAFETY ISSUE WITH YOUNG CHILDREN GETTING ON AND OFF THE BUSES.

Police will be patrolling the school bus stop during home time. THANKYOU.
Australia in the Great War

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsakes of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.

FOR SALE

12 WOODEN PLANTER BOXES $40.00 EACH. These boxes have been used in our garden and are now surplus to our needs. They would be great to put pots in on a verandah, or could be used as wood boxes. Please see Sue Nicholas.

NEWS

Yes, our Gould League Tree was taken down last week due to safety issues. It did not go to waste! The garden classes have worked tirelessly spreading the wood chips, made from the tree, around the vegetable garden plots. Our garden is slowly but surely developing. This week we will be busy mulching and watering, preparing the garden for the holiday break.
Dear Parent/Guardian/Carers

I am writing to advise you that we suspect that nits/head lice are present in the hair of some students. Please check your child’s hair for nits/lice tonight using the methods recommended in information from NSW Health (http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx) a copy of which is attached.

If you find any eggs or lice please commence treatment as recommended.

Further information on head lice is available on the NSW Health website (details above) or through the Department’s website at http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/headlice/index.php.

I appreciate your assistance in this regard.
