Professional Learning
This afternoon (Tuesday) we are to have a professional development session where we take our first really good look at the Department’s Wellbeing Framework site. To assist us in this, we have invited Wendy English (Department of Education - National Disability Insurance Scheme) to lead us and to start our conversation around the implications for our school and the directions we might take. This will then be further developed and added to our Milestones document which will become an integral part of our strategic planning for this year.

We also will be beginning profiling our school performance against the School Excellence Framework. Last year we decided we had enough on our plate so this has been carried over to our goals for 2016. As well as these major directions we have our two initiatives of our Attendance Support Officer and the very important role taken up by Mrs Johnston in a school-employed Early Action For Success position. This is to transition the Year 2 students into Year 3 in the primary and monitor the ongoing learning of this cohort with extra scrutiny and professional discussion.

SRC Representatives
Yesterday morning at the whole school Assembly the elected Year 1 to Year 6 classroom Student Council Representatives were presented with their badges. Congratulation to all of our Term 1 representatives and thank you to all the parents who were able to attend and to be there to assist in pinning on the badges.
This was the first assembly in 2016 for our four kindergarten classes so it was a pleasure to welcome our newest students.

**Welcome to Mrs Hampshire**
Rachel Hampshire is our new Speech Therapist, initially employed to work with our Kindergarten classes. Rachel’s first day was yesterday and we will see her on a fortnightly basis. Mardi Taylor (Occupational Therapy) will share the same office space off the A Block Hall previously occupied by our Early Action for Success team (EAfS). The EAfS team now have the classroom used by kinder Purple last year. Marathon Health will be providing Speech Therapy to our preschool later in the year.

**Sentral**
Sentral is the name of the business company that have supplied our new computer management system. This system has many amazing administrative capabilities but so far we are only concentrating on using it for student attendance. Teachers mark their class rolls at their computers or interactive boards and this is immediately centralised and ready for perusal by the office or executive staff. Children arriving at school late now get a computer generated note and in real time. This is recorded without the need for further teacher attention. This saves time and its efficiency is also consistent with its accuracy and negates and double-handling of a partial attendance/absence.

**Next Week**
Monday: An induction ceremony will take place for the 2016 School Captains and student leaders at the 9:00am morning assembly. This will replace the format of the normal weekly assembly.
Tuesday: 5/6B will attend this year’s Future Moves “Check It Out” day at the Dubbo campus of Charles Sturt University. This is to give students a chance to look at educational opportunities when pursuing a particular line of employment, especially when it involves a tertiary education. All Stage 3 children will be extended a chance to access this information when the Future Moves
people pay us a visit at a later time.

Thursday: 10:15am Football players from Knights to visit (Years 3-6) – organised by Miss Thompson. (Thursday Scripture has had to be cancelled).

Friday: Primary Swimming Carnival + students who can swim and turn 8 this year.

**Weaving The Net**
Today is the first of two days for Simone Smith and Kate Kiss to attend this community development program at the WINS Neighbourhood Centre about child sexual abuse, child abuse and family violence. These are sensitive issues in any community and it is good that we have representation which will lead to a greater understanding of how it can potentially affect children at school.

**School Beautification**
Initial discussions have started within the P&C around the issue of seeing what can be done to beautify and improve the look of our school within the community. Today we have Damien Bell visiting to explore the possibilities for improving the standard of our grassed play areas. Damien’s company, D&L Turf Solutions is responsible for the quality of the grassed surfaces at the golf club and we are hopeful that he will be able to guide us to improving our play areas.

**Another Special Visitor Today**
Dr Rick Aitken lives in orange but frequents Wellington when he visits the General Practitioners at WACHS. Recently, we found that he is a sponsor of “Eternity Aid” a voluntary organisation (Registered as a charity) that supports young people in Bourke. We are soon to send two staff members to Bourke for the first of three training days presented by Jane Cooper a Mental health Occupational Therapist and Play Therapy Clinician.

Participants will be taken through a number of frameworks for understanding challenging behaviour in children, including a focus on the neurological impact of trauma on child development.
Building on this foundation, participants will be guided through various considerations for formulating a therapeutic response to behaviour. Data from Bourke, over an eight year period, strongly suggests that this is making a significant, positive, change for young people in the Bourke community. Dr Aitken will talk to us about his support of the effectiveness of this initiative.

Welcome to Week 3 of Term 1

We are so excited to welcome our new pre-schoolers and their families to our preschool in 2016. We are looking forward to getting to know everyone and sharing a fantastic year together here at Preschool. As it is the beginning of the year, we thought we would share some important information with you.

Operating Times
Children are able to be dropped off at 8:55am to start the Preschool day. If you are a working parent/carer, you can make arrangements to drop your child off at 8:45am - please see a staff member to confirm this.

Our day at Preschool ends at 2:30pm. While we endeavour to be ready by 2:30pm, some days we may run a little late. Staff will open the front door when the children are ready to be collected.

Sun Protection
As children are playing outside in the mornings, we ask that parents/carers apply sunscreen to the children prior to bringing the children outside to play. Sunscreen is provided in the foyer near the sign in book for you to use. We do provide a bucket hat for children at preschool, but if you would like to provide your own, please make sure it is a bucket style hat to protect their ears and necks.

What to pack??
- A change of clothes
- A water bottle
- Morning tea and lunch

Chips, chocolate and lollies are examples of food that are not suitable for preschool and children will be asked to eat them when they go home. If your child’s lunch box needs to be placed in the fridge, please place it on the kitchen bench.

A piece of fruit or a vegetable – we have a fruit bowl that is located on the kitchen bench. Please place your child’s piece of fruit or vegetable in the bowl and we will cut and prepare these items on a platter for all children to share at morning tea time. Children will then eat morning tea items in their lunch box.

UNIFORM INFORMATION

The New uniform – Sports Shirt and Shorts / Track pants will be the Wellington Public School uniform, however there is a 3 year transitioning period and the other uniform is still available.

KINDERGARTEN ENROLMENT FORMS FOR 2016

Please ensure that you have your 2016 Kindergarten enrolment forms handed into the office ASAP
Wellington Public School will be holding its annual Swimming Carnival next Friday, 19\textsuperscript{th} February 2016.

Students are to go directly to Wellington Pool in Warne Street next Friday, 19\textsuperscript{th} February. Students need to be there by 9:00am and no earlier than 8:45am. If your child catches a bus, it will take them straight to the pool and will be there to pick them up from the pool to take them home. Pool entry is \textbf{$2.00$} or a \textbf{season ticket}.

A permission note was sent home yesterday. This note must be signed and returned to your child’s class teacher as soon as possible. All students from Years 3 – 6 are to attend the swimming carnival or they will be marked absent and a note explaining their absence will be required. If your child attends the carnival but hasn’t returned their note signed, they \textbf{WILL NOT} be permitted in any pool.

This year we will be running some fun 17m races from the shallow end of the big pool. The day is bound to be a lot of fun. It will be hot so make sure your child packs water, sunscreen, a hat and a t-shirt with sleeves. Can you please remind your child of the age they are turning this year as this will be the age race they swim?

If you are able to assist on the day please contact the school on 6845 4080 and leave your name, or see Mrs Boland on Friday morning before the carnival begins. Many parent helpers make light work and a smooth sailing carnival.

The staff of Wellington Public School hope to see as many students and parents at Wellington Pool next Friday 19\textsuperscript{th} February for its annual Swimming Carnival.

Dear Parents / Caregiver, 

Welcome to a new school year!

The first major event on Wellington Public School's calendar this year is our annual Swimming Carnival to be held on Friday 19th February (Week 4) at the Wellington Olympic Pool commencing at 9:00am and concluding at 2:45pm. You will need to drop your child off at the pool from 8:45am onwards and pick them up from the pool at 2:45pm. School buses will drop off and pick up from the front of the pool. If you would like your child to participate in our school’s swimming carnival you will need to complete the below permission slip stating your child’s swimming ability and return to your child’s classroom teacher as soon as possible. Please note your child will be marked absent on this day if they are not present at the pool.

This year along with the great Novelty Events in the middle-size pool we are aiming to have some fun 17 metre races starting at the shallow end of the big pool (if time permits). As always, we would love to see as many parents at the pool as possible and if any of you are able to help out on the day just let me know.

Kind Regards

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsake of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.
BACK TO SCHOOL TIPS FOR PARENTS

It has been six weeks since road users have had to remember to slow down and look out for children around schools and forgetfulness and complacency can affect us all after an extended break.

Drivers and riders should allow for children who may act unpredictably on the road as uncertainty and excitement over the new school year overrides otherwise sensible behaviour.

Please remember to abide by School Zone speed limits of 40 km/h from 8.00 am to 9.30 am in the mornings and 2.30 pm and 4.00 pm in the afternoons. Please note that Dubbo’s Mian School in Bultje Street however has a different enforceable afternoon School Speed Zone time of 1.00 pm to 2.30 pm.

Parents are reminded also to brush up on their safe parking skills around school when dropping off and collecting their children.

Illegal parking causes dangerous situations and brings with it some heavy fines as follows:

- **No Stopping** - means you cannot stop in this area for any reason - $319 fine plus 2 demerit points.
- **No Parking** – means you can stop here for a maximum of two minutes to drop off or pick up passengers and you must stay within three metres of your car at all times - $177 fine plus 2 demerit points.
- **Bus Zone – School Days** – means you must not stop or park your vehicle in a designated school bus zone between 8.00 am and 9.30 am or between 2.30 pm and 4.00 pm - $319 fine plus 2 demerit points.
- **Stop on or near a pedestrian crossing (school zone)** - $425 fine plus 2 demerit points.
- **Double parking (school zone)** - $319 fine plus 2 demerit points.
- **Parking in a disabled zone** without current mobility parking permit displayed - $531 plus 1 demerit point

For further information please contact Council’s Road Safety Officer

Bus Zone Parking…

Morning and Afternoons

Parents are asked not to park in the bus zones, it is a huge safety issue with young children getting on and off the buses.

Police will be patrolling the school bus stop during home time. Thankyou.
