School Captains Off To Annual Leadership Seminars
Yesterday our School Leaders were in Sydney learning more about their responsibilities as School Leaders. Mrs Styles accompanied them on this special experience having driven them to Sydney on Sunday for their big day. Thank you Mrs Styles and let’s hope the day was beneficial to our leadership team.

A Visitor From Forbes
Mr Thomas had come to see us because he was interested in learning more about the complexities of a larger school. He seemed to be very impressed with the business of our school and the number of special programs we run to assist the learning needs of our students. This was part of Mr Thomas’s Professional Development Plan something all teachers and executive staff are required to work on every year.

NAPLAN 2016
Yesterday we registered for our involvement in the 2016 NAPLAN tests which are to occur in Term 2 Week 3 for all students in Years 3 and 5. Mrs Morley and Mrs Eather as co-ordinators, will verify our students and ensure that our class lists are complete and accurate so that the individual test booklets can be printed with names for every participating student.

A Huge Job For Mrs Johnston
As if Mrs Johnston isn’t busy enough but she still managed to volunteer to put her hand up to collate teachers’ assessments of where we are sitting on the Department’s Schools’ Excellence Framework. From here a survey has to
be completed and then schools will develop plans to continuously improve in any identified areas. We are always keen to know what we can do better so we support this process and say a big thank-you to Mrs Johnston for the extra work she has undertaken.

**March P&C Meeting**
The March meeting of the P&C is to be held tomorrow night starting at 6:30 pm in the school staffroom next to the administration office. Proceedings will begin with the Annual General meeting where the 2016 office bearers will be elected before the general meeting which will follow. This is a chance for all interested parents to come along and take an active part in the parent partnership with the school. New members are always welcome.

**OneSight Eye Screening has been booked and it’s happening at our school – confirmed for 8th April**

**Some of the correspondence received from OneSight:**
As the charity foundation of the Luxottica Group (OPSM and Sunglass Hut), OneSight provides free and low-cost eye care and glasses to low socio-economic, remote and Indigenous communities. It has been doing so in Australia for over 25 years. In 2015 our program impacted over 12,500 lives and we expect this number to be much greater in 2016.
To conduct the clinic, our team of volunteers will visit your school and provide a full eye test to all students present on the day. Tests conducted include basic acuities such as distance and near vision, depth perception and colour vision; students are issued with a prescription for glasses as required.
In addition, we will provide a range of glasses for your students to select from, which will be manufactured to their exact prescription. The manufacturing process takes approximately four weeks, and the glasses will be sent directly to your school for distribution to recipients. There is no cost to your school or your students.

OneSight clinic teams are made up of volunteers from within our business
and our eye care program is funded through donations.

About OneSight

OneSight believes everyone should have access to world class eye care regardless of circumstance. For over 25 years, OneSight has provided free eye health checks and eyewear to almost nine million people around the world.

In Australia and New Zealand, OneSight has partnered with OPSM, Laubman & Pank and other Luxottica brands to improve the vision of more than 200,000 people in need. We harness the energy and expertise of over 700 optometrists and 4,500 employees to give back to the communities in which we live and work in very positive and practical ways.

OneSight Indigenous Eye Health Program

Our Indigenous Eye Health Program was launched in 2012 and has since helped over 5,000 people in Mt Isa and the remote Indigenous communities of Doomadgee, Mornington Island and Palm Island. OneSight is committed to providing sustainable access and improving eye health and eye care in remote areas.

Local Eye Care Clinics

Working in partnership with a range of community and government organisations and schools, our local screening clinics provide free eye health checks, eye exams and glasses to people in need.

Vision Vouchers

In partnership with community organisations such as the Salvation Army, Mission Australia and Barnados Australia, OneSight provides eyecare access to people with low socio-economic status. Vision Vouchers are exchanged in OPSM and Laubman & Pank stores to provide eye tests and eyewear free of charge. Almost 8,000 Australians benefitted through the program in 2014, and we’re expecting that number to be even greater in 2015.

Global Eye Care Clinics

Our volunteers join with global colleagues to conduct clinics in developing countries throughout the world. Each clinic is designed to assist up to 10,000 people over a two week period.

This Too has been organised
Dear Mr Anderson,
I wish to advise that I (Cameron McFarlane-Senior Lifeguard) will be taking part in a massive C.P.R campaign that will be running through out NSW primary schools commencing 2nd of May to June 10th 2016 covering 27 Towns and 53 schools to try and combat the rise in drowning statistics which is proudly supported and sponsored by Royal Life Saving Coffs Harbour. Details attached. Any further information in regards to this program please do not hesitate to contact me. Regards Cameron McFarlane.

My Response:
Hi Cameron,
Confirming that we are good for 6th June, 2016 for your CPR Awareness Training for Stage 3 students. I have written this down for our agreed two sessions (9:00 am to 11:00 am in the Stage 3 Hall).
The cost for this will be covered by the school. It is such an important learning experience for the Students in Stage 3 that we didn’t want anyone to miss out.

8 Ways of Knowing and Learning
We are currently trying to negotiate 4 Professional Learning sessions based on this Aboriginal pedagogy (Art and science if teaching) for Term 2 with our Aboriginal Education and Engagement Officer, Allan Hall. Hopefully we will get a positive result.

Rocks Delivered
Following the delivery of the large rocks to the area surrounding our yarning circle the next step is to explore the best plants to help landscape the same area.
The Official Opening for both the Yarning Circle and the Community Room
will be announced in the near future when we know both projects are nearing completion.

Please Don’t Forget that it is School Photo Day next Monday, 7th March. We would like everyone looking splendid in their uniforms for their personal and class photographs.

Positive Behaviour For learning Socials
Junior and Senior Socials are planned for the evening of 9th March, 2016. The Infants (K-2) social will be from 5:00 to 6:00 pm and the social for the older primary (3-6) group will be 6:00 to 7:30 pm. Both socials are to be in the Gould League Hall. We have again, engaged two guards from ‘Wellington Security’ to be present for added peace of mind, for all students and staff in attendance.

Ear Bus Visit
This week Hear our Heart Ear Bus Project and Department of Education Hearing Teachers are coming with the Healthy Ears Puppets to teach the children how important it is to blow your nose correctly to keep your ears healthy. They will also do a healthy ears education session with the Yr 4/5/6 children to encourage them to help the little ones to keep their ears healthy and learn about why it is not good for your ears to use ear phones with loud music. Hear our Heart are coming to our school in week 8 to do some more hearing testing. Did you know they are funded by donations and volunteers.

Wellington Public School’s Annual Swimming Carnival was held last Friday 19th February. The weather started off pleasant but well and truly heated up by lunch time. Despite the heat a great day was had by all and there were lots of children who entered the 50m and 17m races while others were happy participating in the novelty races.

A big, big thank you to all staff who were at the pool nice and early on Friday morning to help set up and especially those still there at the end of the day to help pack up the tents, Mrs Petrovic, Mrs K Wilson, Mrs Fitzsimmons and Mrs Styles. Thank you to Mr Bullock and Brad for setting up and returning the tents. Also a huge thank you to Mrs Eather who was outstanding on the microphone throughout the day and contributed to the smooth running of the carnival.

I would like to thank Mrs Penny Deshon for rallying parents to help time keep, the wonderful parents she managed to con and also to the staff who helped with this. A huge thank you to Wellington Amateur Swimming Club for the use of their tent and equipment. Your generous support means a lot to us. A massive thank you to Mrs Taylor for preparing the fruit cups for officials and also to her mother Mrs White for the delicious homemade biscuits, your support is valued.

Thank you to all of WPS staff who were fantastic in their roles. Also to the students of our wonderful school who were brilliantly behaved.

Wellington Primary School is a proud KidsMatter School

This week our students have been involved in lessons about positive self esteem. The children have been identifying good qualities that they have and positive qualities that they would like to have when they are young adults.

Qualities that they thought of were honesty, being responsible, keeping healthy and being friendly and caring to others.

The students also talked about how we can help our friends and family be the best that they can be.

Commemorative Coin

To commemorate the service and sacrifice of the hundreds of thousands of men and women who fought in World War One and to coincide with the 100-year anniversary of the Gallipoli landing, Wellington Public School will be selling commemorative coins as keepsake of those who fought for our country.

The coins can be purchased at the Wellington Public School front office for $5 each, with all profits from the sales going to the SOLDIERON charity, a wonderful organization that helps current service men and women to overcome physical and emotional challenges caused by experiencing war.
The Hear Our Heart Ear Bus Project, is a fantastic community initiative run by a passionate volunteer committee who have a strong commitment to promoting a combined ear health and education service. This service is provided to the community solely through fundraising initiatives, local partnerships and community donations. The project does not receive any Government funding to assist with its operation.

The Hear Our Heart Ear Bus Project warmly welcomes your involvement, no matter how small, whether it is through participation in your local committee, donations to the project or by organising or attending a fundraising event in support of the project. If you have a passion for ear health and would like to become involved, we would love to hear from you.
